

FRANK

ARCHITECTURE & INTERIORS

Senior Interior Designer – Job Description

Description:

FRANK, unlike other traditional architecture firms, takes an integrated design approach. Architecture and Interior design are at the heart of the work we do. Being a small-scale, boutique firm allows for our team of talented and passionate design professionals to strive to create timeless, engaging, and approachable design solutions within a collaborative open studio environment. Our expertise in projects ranges from commercial to residential with a strong focus on hospitality. We are particularly fond of restaurant, café and retail design as it gives us the opportunity to indulge in a research process and a level of detail that we undoubtedly love. Our portfolio includes project work that stretches across Canada and into the US.

We are seeking a **Senior Interior Designer** with a strong hospitality background to manage the administration, production, and execution of projects and deliver unique design solutions. We are looking for those who thrive in a fast-paced work environment motivated by teamwork and creativity.

As a Senior Interior Designer, you will:

- Develop and execute appropriate design solutions for projects with a deep understanding of building, zoning, energy codes, construction standards, and other regulatory requirements
- Lead project teams through all design phases, playing an integral role in the concept development
- Actively lead design presentations to clients as required and effectively communicate vision, programming, and details
- Champion a high level of design quality with a keen understanding of the firm's design philosophy
- Mentor and manage staff

Qualifications and Skills:

Required skills and expertise:

- University Degree in Interior Design
- 8-10 years of experience with an advanced hospitality portfolio
- Well-rounded, strategic thinker with an integrated approach to design, management, and technical project resolution
- Ability to understand the big idea, as well as the tiny details
- Demonstrated project management and leadership skills
- Highly organized, work well in a fast-paced environment with multiple projects and diverse project typologies
- Strong working knowledge of AutoCAD, SketchUp & Adobe Creative Suite
- Strong communication and presentation skills (written and oral)
- Confident, efficient, and collaborative with the ability to engage with different personality types

Contact Information:

All interested applicants should be prepared to provide a portfolio of their work and professional references and should be able to start two weeks from acceptance of offer of employment.

We will provide a competitive salary, health benefits and continuing education opportunities.

Please email your resume, cover letter and salary expectations to careers@frankarchitecture.ca. Include your name and the position of Senior Interior Designer, in the subject of your email. Only candidates offering appropriate project-based credentials will be contacted, although we thank any interested parties for their submissions.
